it.

The various cities are poking fun
at Pittsburg which had to go all
over the country to find its twenty-
eight good citizens, but still Pitts-
burg has not yet furnished a mem-

The April Woman's Home Com-
panion is out in all its best features
in prose, poetry, and timely arti-
cles, also fashions which is a lead-
ing feature of this ever popular
magazine. A distinct contribution
to contemporary literature is the
epic poem, "At Pilate's Judg-
ment Seat," by Thomas Nelson
Page, which occupies two pages in
this issue.

An Omaha man who has lived
on the plains a day for fifteen
years and accumulated a fortune
of \$100,000, says he is going to
further reduce his expenses now.
His heirs at law are probably
watching the process with interest
and making no objections.

Lewis Nixon says that in a short
time it will be possible to cross the
ocean in four days, but if the
steamship rates increase in propor-
tion to the speed attained, as they
have done of late, it will be im-
possible for most people to cross
in that time.

It looks as if the enemies of the
President do protest too much.
Maybe they have not collected five
millions yet with which to defeat
him, but they will find it hard to
make the people believe that they
are not getting all they can for that
purpose.

Letter to E. S. Hooper.

Dear Sir: The checkiest fraud in all
points is paste paint. Here's one.
Lawyer Arley B. Magee, Dover, Del.,
painted his house four years ago with
paste paint at a cost of \$44 for paint and
\$61 for labor; total \$105. The house got
shabby in two years; but he painted
Devoe at very different cost: \$18 for
paint and \$30 for labor; total \$48.
[Paste paint \$105; Devoe \$48.]
It is late fattening hogs on milk & wa-
ter. Paste paint is just white wash.

Sheriff George W. Menden has
returned from a trip to Caddo lake,
where he has been to enforce the
recent fish law passed by the leg-
islature, which prohibits the net-
ting of fish. Sheriff Menden found
seven nets, which he pulled out of
the lake, and as no one would claim
them they were burned up. Sher-
iff Menden found many other nets
on the banks, that were being
dried and allowed the owners to
keep them under the promise not
to use them in Texas waters.—

The readers of this paper will be pleased
to learn that in at least one dreaded disease
that there has been a cure in all its stages,
and that is Cancer. Dr. J. F. Crow's
Cure is the only positive cure now known to medical
science. It is a constitutional treatment, and
does not require a surgical operation. It is
a simple, safe, and reliable method of curing
all stages of Cancer. It is a cure that has
been tried in thousands of cases, and has
been found to be a cure in every case. It is
a cure that is a relief to the sufferer, and
a cure that is a blessing to the world.

Superstition is related to this life,
religion to the next. Superstition is
allied to fatality, religion to virtue.
It is by the victory of earthly desires
that we become superstitious. It is, on
the contrary, by the sacrifice of these
desires that we become religious.—

One of the worst features of kidney
trouble is that it is an insidious danger,

prevents Bright's disease and diabetes.

Answers Every Call.
Jefferson People Have Found That
This Is True.

A cold, a strain, a sudden wrench,
A little cause may hurt the kidneys.
Spells of backache often follow,
Or some irregularity of the urine.
Headache or nervousness for such attacks,
A certain remedy that answers every call.
Is Doan's Kidney Pills, a true specific.
F. C. White, blacksmith, Pittsburg,
Texas, says: "The change of climate
after I came to Pittsburg caused me to
take chills and fever, each time I would
have an attack the pain across my back
would get so bad that at times I would
have to stop work. I could scarcely
turn over in bed. The secretions from
the kidneys were a dark red color
like blood, and a whitish sand or sedi-
ment was deposited at the bottom of
the urine. Hearing about Doan's Kidney Pills
I procured a box. Since using them I
have felt better in every way. My back
does not pain me a particle, the secre-
tions are quite clear and my kidneys are
much stronger. I consider Doan's Kid-
ney Pills an excellent remedy and have
recommended them to several of my ac-
quaintances."
Plenty more proof like this from Jeffer-
son people. Call at The J. F. Crow
Drug Co., store and ask what their
customers report.

For sale by all dealers. Price 50
cents. Foster-Milburn Co., Buffalo,

DO YOU GET UP WITH A LAME BACK?

Kidney Trouble Makes You Miserable.
Almost everybody who reads the news-
papers is sure to know of the wonderful
cures made by Dr. Kilmer's Swamp-Root,
the great kidney, liver and bladder
remedy. It is the great medi-
cal triumph of the nine-
teenth century, dis-
covered after years of
scientific research by
Dr. Kilmer, the emi-
nent physician and blad-
der specialist, and is
wonderfully successful in curing
lame back, kidney, bladder, uric acid, liver
and bladder troubles, which is the worst
form of kidney trouble.

Dr. Kilmer's Swamp-Root is not rec-
ommended for anything but if you have kid-
ney, liver or bladder trouble it will be found
just the remedy you need. It has been tested
in so many ways, in hospital work, in private
practice, among the helpless too poor to pur-
chase relief and has proved so successful in
every case that a special arrangement has
been made by which all readers of this paper
who have not already tried it, may have a
sample bottle sent free by mail, also a book
telling more about Swamp-Root and how to
find out if you have kidney or bladder trouble.
When writing mention reading this generous
offer in this paper and
send address to
Dr. Kilmer & Co., Birm-
ingham, N. Y. The
regular fifty cent and one dollar bottles
are sold by all good druggists.

Don't make any mistake, but remem-
ber the name, Swamp-Root. Dr. Kil-
mer's Swamp-Root, and the address
Birmingham, N. Y., on every bottle.
Idle White and Black.
Every idle man in Texas, white
and black, should be arrested by
the peace officers and made to
work. If he will not go the rail-
road, the saw mill, the farm, or
other places where labor is in de-
mand, and earn good wages for
himself, let him be placed on the
streets in town and cities and
be made to work for the
public. This will bring him to
time. If the course was followed
for a week or two in an energetic
manner there would be no idle peo-
ple in Texas, for undoubtedly
there is employment for every hon-
est man that wants to work. Then
there would be less crime, fewer
cases of petty theft, fewer assaults,
fewer murders. Let the vagrant
laws be enforced.—Denison Her-
ald.

Cured of Rheumatism.
Mr. Wm. Henry of Chattanooga, Tenn.,
had rheumatism in his left arm. "The
strength seemed to have gone out of the
arm and it was useless for work," he
says. "I applied Chamberlain's Pain
Balm and wrapped the arm in flannel at
night, and to my relief I found that the
pain gradually left me and the strength
returned. In three weeks the rheuma-
tism had disappeared and has not since
returned." If troubled with rheumatism
try a few applications of Pain Balm.
You are certain to be pleased with the
relief which it affords. For sale by all
druggists.

The Elegant Mrs. Adams.
An old Washington lady used to tell
with delight of an occasion on which
she went, with a kinswoman, to dine
with Mr. and Mrs. John Quincy Ad-
ams. The table was beautifully set in
the fashion of the time, and at Mr.
Adams' place lay a four tined silver
fork. The other persons at table had
merely the two pronged fork then in
use. Mrs. Adams apologized for her
husband's little eccentricity, saying
that in his long sojourn in France he
had acquired the habit of eating with
a knife.

Mr. S. L. Bowen, of Wayne, W. Va.,
writes: "I was a sufferer from kidney
disease, so that at times I could not get
out of bed, and when I did I could not
stand straight. I took Foley's Kidney
Cure. One dollar bottle and part of the
second cured me entirely." Foley's Kid-
ney Cure works wonders where others
are failures. Sold by The J. F. Crow
Drug Co.
